K HOME INTERNATIONAL LIMITED CELEBRATES SUCCESS IN THE RoSPA AWARDS 2012

K Home International Limited , has had its approach to the prevention of accidents and ill health recognised in the RoSPA Occupational Health and Safety Awards 2012.

It has won a **Gold** award in the annual scheme, which dates back to 1956 and is the largest and longest-running awards programme of its kind in the UK.

The RoSPA Awards scheme recognises commitment to accident and ill health prevention and is open to businesses and organisations of all types and sizes from across the UK and overseas. It does not just look at accident records, but also entrants' overarching health and safety management systems, including important practices such as strong leadership and workforce involvement.

David Rawlins, awards manager at the Royal Society for the Prevention of Accidents (RoSPA), a safety charity with a 95-year history, said: "The RoSPA Awards programme provides well-deserved recognition for the winners and spurs on other organisations to raise their standards of accident and ill health prevention. We congratulate **K Home International Limited** on its success and encourage it, and all our other winners, to remain committed to safety and health, an approach that is well recognised to be good for workers and the bottom line."

Lee Anderson , Operations Director , K Home International Limited, said: " As part of our HSE Improvement Plan for 2012 we set out to achieve the RoSPA Gold Award recognition and see the Gold award as recognition of , our efforts towards HSE within our Organisation and management of Projects and our Company ethos of "Design Safe , Work Safe and Act Safe.."
