**K Home International Limited
is a winner in the RoSPA Awards 2017!**

K Home International has been successful in the 61st year of the RoSPA Occupational Health and Safety Awards 2017.

The company, based in **Stockton-on-Tees**, achieved the **Gold Medal (6 consecutive Golds)** award in the prestigious annual scheme run by the Royal Society for the Prevention of Accidents ([RoSPA](#)).

Through the scheme, which is open to businesses and organisations of all types and sizes from across the UK and overseas, judges consider entrants' overarching occupational health and safety management systems, including practices such as leadership and workforce involvement.

Julia Small, RoSPA's head of awards and events, said: "The RoSPA Awards are the most prestigious in the world of occupational health and safety, and held in high regard around the world, as winning one demonstrates an organisation's commitment to maintaining an excellent health and safety record. Achieving the standard required is no mean feat".

"This is a special year in the history of RoSPA, and we congratulate all of our winners in this, our centenary year."

Lee Anderson Operations Director commented "We are delighted to receive the RoSPA Gold Award for the "sixth" successive year. The award represents acknowledgement of our company health and safety ethos and the efforts of our employees and sub contractors in maintaining our health and safety standards".

The majority of awards are non-competitive and mark achievement at merit, bronze, silver and gold levels. Gold medals, president's awards and orders of distinction are presented to organisations sustaining the high standards of the gold level over consecutive years. For the first time 2017, the Patron's Award has been presented to those organizations that have achieved consecutive gold awards for 25 years or more.

Competitive awards go to the best entries in 24 industry sectors including construction, healthcare, transport and logistics, engineering, manufacturing and education.

There are specialist awards for occupational health, environmental management and fleet safety, and excellence trophies for the best international, new entry, workforce involvement and organisation operating or based in Scotland. RoSPA's top accolade is the Sir George Earle Trophy.

Headline sponsors of the RoSPA Awards 2017 is NEBOSH - the National Examination Board in Occupational Safety and Health - for the 12th consecutive year.
