

FOR IMMEDIATE USE – 20 May 2014

**Project Milestone
July 2012 to April 2014**

CONGRATULATIONS...

K Home International Limited is proud to report that all KHI and subcontracted personnel involved with on-site activities have exceeded over 250,000 man-hours (267,689) without a lost time accident (LTA).

This is a great achievement by all involved in the project and we would like to thank all personnel for their contribution to HSE.

This is another major HSE milestone for K Home International and reflects the company's commitment to Safety and Quality. Excellent HSE performance not only enables everyone to go home at the end of the day without injury, but it also reflects a discipline on the site that promotes collaboration with all parties.
